

Brentwood Bay Lodge · Victoria, British Columbia

Spec Detec.

Why? Because water intrusion can happen anytime.
And you may not even know it until it's too late.

Detec Systems is your best defense against costly water damage and mold growth. Reliable. Cost-effective. Proven.

The planners of the new Brentwood Bay Lodge understood that with an average annual rainfall of over 3 feet that they needed to spec Detec to help ensure the comfort of their future guests.

Spec Detec. Because Water Never Lets Up.
